La DOLCE vita

It's me, Sayaka-chan!
Were you expecting a cute girl?
Too bad!
you're more "pretty" than you are "cute", Sayaka.
That's right. I'd say that...
Kyouko is definitely the cute one here.
...Yeah, you're right.
After this, they had mind blowing sex.
Cutie.
Cuuutt iiittttt ouutttt uithhhh thaaaat!

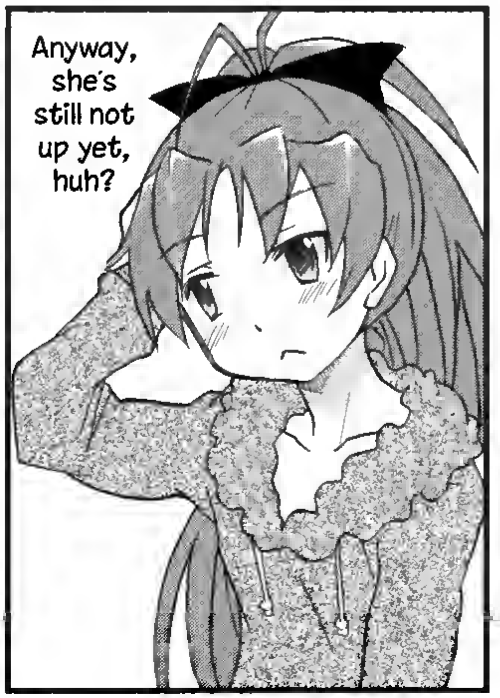
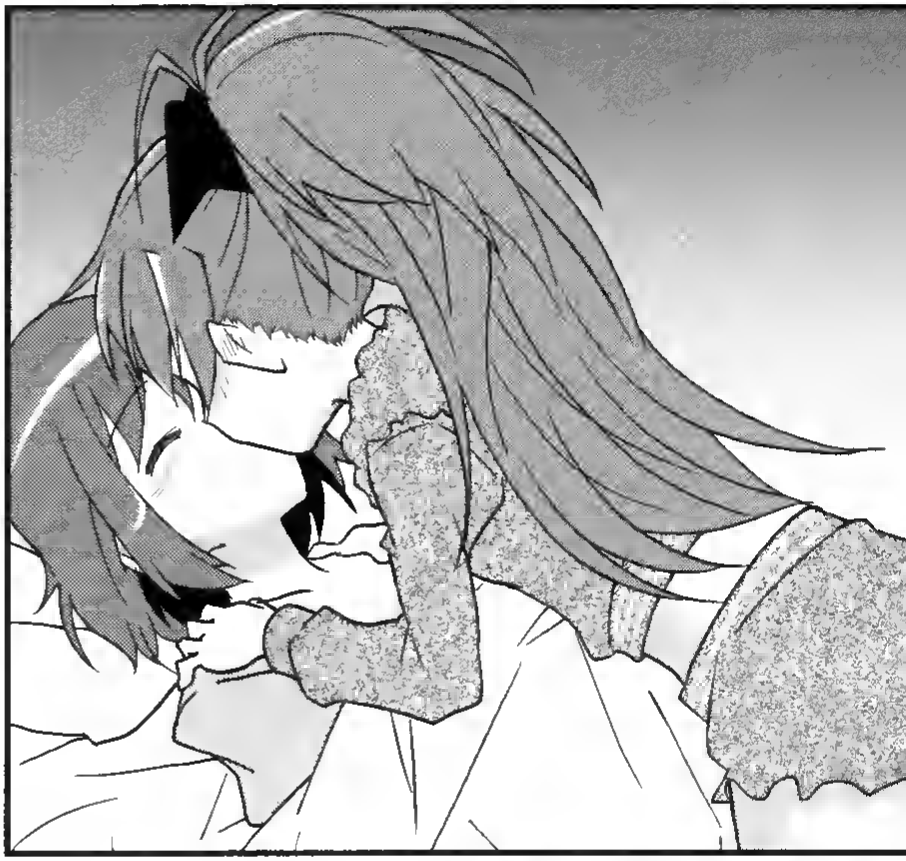
La DOLCE vita



SQUEEZE



If you rough me up like that I'd wake from the deepest sleep.
If you're awake, you should react like you are!

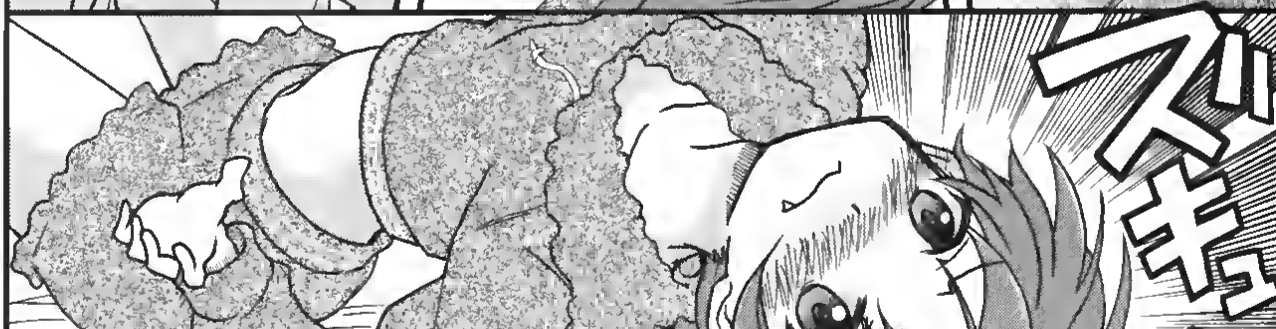
H-Hold ooon! Waaait!
Why do you always try to do lewd things right away!?

Uh...
Honestly...

...Mmm...
Y-You idiot.
Does that mean I can touch you if I'm not rough?
Hey!
Ah...
S-Stop that...
Have you, um... forgotten about the first time we... had sex?
A-Are you kidding !?!?
There's no way I could forget.
It's perfectly natural for two young people to desire each other's bodies.
What is it?
Err... You angry, by any chance?
Well, it's unnatural for it to be so one sided.
CUT IT OUT!

Around the time we first had sex, you would say "I love you" or "I like like you!" more than 15 times a single night!
But lately you've been saying it an average of 3.5 times a day!

You're ...
You're so needy!
Well excuse me for being needy!
I'm quite aware of how I am.
Calm down! Okay?
I'm gonna count them! I can't help it!
It makes me thrilled when you tell me you love me! I want to hear it again and again!



ズキュン!

Err, I love you, Sayaka!
Stop it!
I like like you!
Now it's like I'm forcing you to say it.

You're cute, Sayaka.
Nnn... I'm weak... weak!
You're adorable, Sayaka.
You're cute.
I love you.
That's not making me... happy.
I love you so much.
Ughh!
You're the cutest girl in the entire universe.
No fair, no fair!
I'm doing all this to their unmarried daughter...
... You're right.
Any normal parent would lose their mind in anger.
But...
my parents will find out and you'll be kicked out of the house.
If... If this is all you keep doing...

Even if it means becoming a homeless middle school girl...
I'll never give up on it.
And by "it" I mean ...
my secret love affair with you, Sayaka ...!
Oh Jeez...
Kyouko is so cool!
Sayaka's Mom
It's time for breakfast, you two.
We can't !?
SMACK
...Did you think I'd react that way!?
Your Mom didn't look too concerned.
Yeah... maybe she hasn't realized.
Or maybe she's already given up.
... Maybe she knows and is giving us her approval?
... Stuuuupid.
Thanks for the meal.
Thanks for breakfast.

Still... I wonder if the world has been rewritten already.
It's making everyone think that two girls being in love is perfectly normal.
Huh? What about the world?
No no, it's nothing. Just my imagination.
Ah... Yeah, well...
I've got something on my mind, too.
?
I'm living in a home where I don't need to worry about the wind or rain.
I'm able to eat delicious food every day.
I can sleep in a warm bed.
And most of all, you're within arm's reach, Sayaka.
Y-Yeah...
What about it?
Is it okay for me to be this blessed?
It feels like I've been dreaming. No...
It feels like I'm in someone else's dream. But that can't be.

After all, who knows when we might die during our fights with the demons.
Don't talk like Mami.
Getting this much of a reward is nothing to be concerned over.
Your fate is set in stone as a magical girl.
What are you going on about?
clunk
I'll allow it! You have my permission!
Even if you might be okay with it...
You should ask for more and more!
As for you...
S-Sure.

Of course not.
Nothing beats taking it easy.
Do you prefer exciting battles and blood-shed?
What is it? Are you not satisfied with these peaceful days?

I've always said you were the cutest in the whole world.
Stuuu-uuupid!
Are you calling your-self cute?
What else could you want?
Plus you have this super cutie, Sayaka-chan, with you.
Oh? Sayaka-chan isn't cute, hmm?
Very good!
smile
Is that so?
If I have to go at your pace it'll take even longer.
Take my bag for me and go on ahead.
Want to go back together?
Ah, sorry, I forgot some-thing.
!?
Don't be late!

Wh-Who are you?
Eh...?
It's Akemi...
You're the one who sits in the back of the class...
Are you enjoying a happy life?
How does it feel to live in this world?

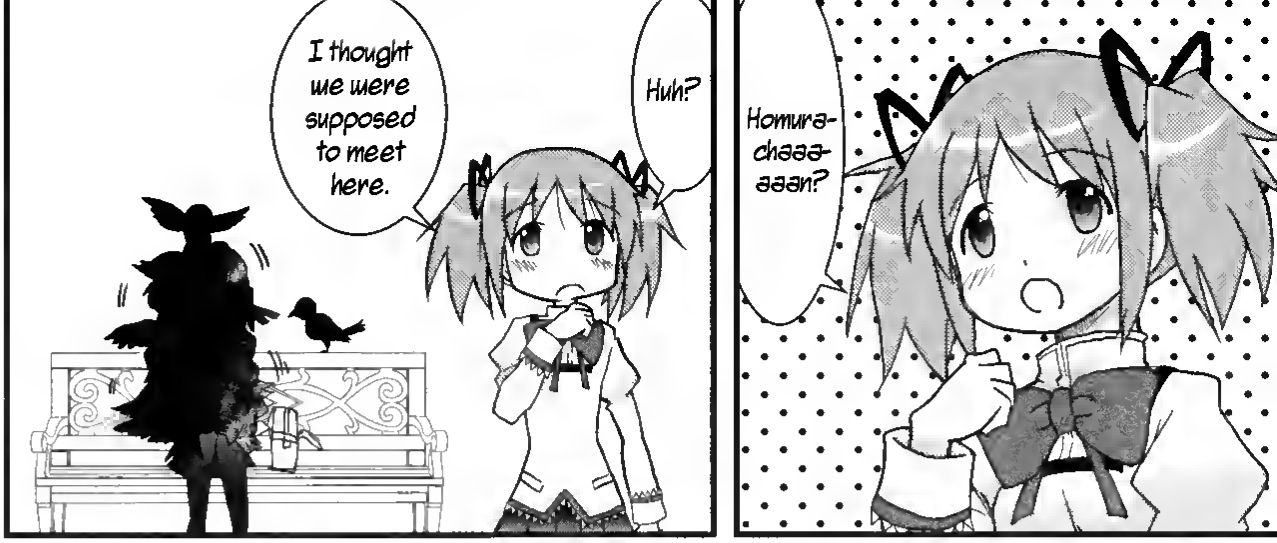
Hey, Sakura Kyouko.
Did your God save you?
Huh? What are you going on about?
When you were suffering and in pain, and truly seeking salvation, did God answer your prayers?
God doesn't respond to humans.
God only watches.
The only one who grants the wishes of humans...
is the devil.
Tch...
You're wrong.
That's not... how it is.
That's not what faith is about.
It's not about being saved.
Squeeze
KYOUKO!
GRAB

We're leaving!
Y-Yeah!
Sayaka ...
What sort of bad thoughts are you trying to give Kyouko?

All right...
I didn't get it.
Something about God...
What did she tell you?

O-Okay? What's with the serious look?
Listen up! You can't get the wrong idea, okay?

Whether you're happy or sad,
that's not any body else's fault or because of anyone else.
S-So...
Um... err...
Yeah...
I know that.
But...
a part of my happiness
is definitely thanks to you, Sayaka.
I-Idiot!
Enough with the embarrassing lines!
Anyway, here!
Eh?
I forgot this.
I promised that we'd eat limited edition pocky together.
Oh yeah! Right!
Mmm! I love you, Sayaka!
Come on! That's embarrasing!



I thought we were supposed to meet here.
Huh?
Homura-chaaa-aaan?

I'm right here.
HYAAAH!?

He he he
I've given Madoka a strong impression of me. "A mysterious and dangerous girl".

What should I do? She's so weird!
But... I can't leave her alone! I can't!

And then the birds came after me for the tomatoes.
They threw tomatoes at me as a joke.
W-Why did you surprise me?
